### **Fraser Cup Championship Tournament**

The five divisional playoff champions and one wild card team will advance to the NA3HL Fraser Cup Championship Tournament, where they will play a two-game round-robin format followed by a semifinal and a championship game at the St. Peters Rec-Plex in St. Peters, MO from March 20-24. A round-robin format with two pools will be implemented, with the top two teams in each pool advancing to the semifinals, where they will then cross over to play the other top two teams from the other pool. The winners of the semifinals will advance to the Fraser Cup Final.

The wild card team will be the team losing in the divisional final round with the highest points percentage (win % in the NA3HL Standings) during the regular season compared to the other divisional final losing teams. The six teams that advance to the Fraser Cup Championship Tournament will be seeded 1-5 based on their division's performance against other divisions at the NA3HL Showcase. The wild card team will be the 6th seed.

The Fraser Cup will be held in cooperation with the first of five 2024 NAHL Combine events. Entering its 11th year in 2024, the NAHL Combines introduce and provide players with a weekend that involves the 'NAHL Experience,' which will consist of competitive hockey, education of the future levels of hockey, academic preparation for NCAA hockey and exposure to professional, college and junior scouts.
